★★★★★ **Prayer is my key to the faith in this world we all share**

By [K Star](#) on April 12, 2011

Format: Hardcover **Amazon Verified Purchase**

This Book with CD is a true blessing. Such passion of true Belief. The Rosary which I had forgotten since I was brought up Catholic- but due to their rules in the Church many years ago. Some family's were 'released' from the church if a divorce was involved. That did NOT help children grow and learn at all. I'll forgive that Church decision for my family. Forgiving is essential in life. Healing with the heart of Love exist and we excel in our Earthly Journey.

So, when John Edward came out with this brilliant concept with Roma Downey, it has helped bring back the memory of praying with Rosary Beads. THANK YOU SO MUCH AND I KNOW GOD THANKS YOU ALSO JOHN EDWARD & ROMA DOWNEY.

MY HOPE IS YOU WILL BUY THIS AND FEEL THE LOVE AND GUIDANCE TO PRAYER. GOD BLESS EVERYONE.

★★★★★ **Prayers with rosary**

I bought this for a friend of mine who has trouble sleeping. When she does, she prays with her grandmother's beads, she received as a child. [Read more](#)

★★★★★ **Interesting book**

Well written, obviously a subject close to the author's heart. Not being catholic, I googled "prayer beads" and found information on them for non-catholics.

I read "Practical Praying" and since have read "One Last Time" and "Crossing Over". I'm ordering more of John Edward's books today. I wasn't sure if I believed in the hereafter or not. His books are believable and honest. I hope he continues his work despite his critics. Reading his books has been a huge help to me personally. His work deals in people who love people. With all the wars and hatred in this world, how can that be wrong?

★★★★★★ **Piece of Prayer**

By [K. Frey](#) on August 17, 2012

Format: Hardcover

To me, praying the Rosary is a piece of prayer that's been missing. I am not a Catholic, but I am comfortable with my own beliefs (and still open to others) enough to learn. As a busy parent and fully employed outside the home, I find it necessary to keep myself focused during prayer--otherwise I begin to worry about the laundry, groceries, errands, etc. The Rosary allows me to hold on to something (keeps my hands occupied), keep my mind busy (praying with intention and visualization), and my mouth moving (rote memorization). It takes about 30 minutes for me to do it to completely. Thirty minutes is a perfect time for relaxation, meditation, etc. without being too demanding on my schedule. The book helps substantiate how a non Catholic can use the Rosary for prayer. The CD goes a little fast for my purposes but it is a nice addition to the book esp if you are nervous, uncomfortable etc.

★★★★★★ **Life changing!**

By [Cynthia Tiburzio](#) on May 29, 2013

Format: Hardcover [Amazon Verified Purchase](#)

I had high hopes when I ordered John Edward's Practical Praying and it exceeded my expectations! I immediately began listening to Roma Downey pray the rosary on a daily basis and simply followed along with my own intentions in the prayers. It had been so long since I had prayed a rosary and having someone else to follow was helpful. I also believe in the power of prayer in numbers and felt as though our voices united were more powerful than my voice alone.

This CD and book changed my life. Once I began using it, following John Edward's guidelines, I began feeling more at peace, more confident, stronger and also noticed I was able to tackle tasks at work that I hesitated doing before out of fear of failure.

Even my treatment towards myself and others started to change in a positive way. I simply cannot say enough about this tremendous gift other than to say, thank you to John Edward, for listening to your angels and creating this book and CD for folks like me who need a jump start on the path of prayer on a daily basis. God Bless John Edward and Roma Downey!

★★★★★ **Awesome!**

By [Anne M. Smyth](#) on December 7, 2012

Format: Hardcover **Amazon Verified Purchase**

I was very taken back by the title as I didn't expect John Edwards to be a rosary guy. I figured it would probably be kind of boring but I was in a tough spot and wanted to give it a chance. I'm glad I did. It's a quick read and gives some great insights.
